MESSAGE FROM: Fred Baron
MESSAGE TO: Andrew Young

“Hey, Andrew, it’s Fred. I just had a long conversation with Edwards and you, this has just, you know, it’s been awful. But, we’re gonna get through it and I just wanted to be, uh, just tell you how positive I feel like we’re going to get through this thing. It’s going to be the most miserable 3 or 4 days we’re ever gonna go through but, uh, I’m starting to see the, the fact that they don’t have any evidence on the other side, that they don’t got shit, and if they don’t got shit, this thing goes away. So, uh, just wanted to, to let you know that things are gonna, we’re, it’s gonna be hard, but we’ re gonna hang in there. Thanks, guy.”
